I. DEFINITIONS

1. The following terms as used in this Settlement Agreement shall be defined as follows:

a. “Accessible Forms” mean forms, applications, *ballots, or transactions that are electronically fillable and submittable*, produce a savable confirmation of submission for users, are provided in an HTML format option, and are compliant with WCAG 2.1 AA or, where WCAG 2.1 AA cannot be procured, are compliant with WCAG 2.0 AA, but nothing in this Settlement Agreement shall require SBOE or any County Boards of Election to accept any ballots via an electronic ballot return system during the term of this Settlement Agreement.

b. “Ballot Data Information” means the raw data to produce a sample ballot.

c. “County Boards of Elections (‘CBOEs’)” means the 58 county agencies in New York State responsible for voter registration and administration of elections within their respective jurisdictions.

d. “Eligible Voter” means an individual who meets the New York State voting eligibility requirements.

e. “HTML Webform” means a form on a webpage that allows a user to enter data that creates a completed form that can be printed.

f. “Plaintiffs” means the Plaintiffs in the above-captioned action.

g. “Print Disability” means any disability that interferes with the effective reading, writing, or use of printed material.

h. “Remote Accessible Vote-by-Mail (‘RAVBM’) system” means an electronic system that allows voters with a disability to mark a ballot privately and independently using their own assistive technology, download a ballot, print their marked ballot, and mail it to their CBOE to be canvassed and counted.

i. “SBOE” means the Defendant State Board of Elections, the New York State agency created pursuant to New York State Election Law § 3-102.

2. Unless otherwise provided in this Settlement Agreement or by common understanding in context, technical terms used in this Settlement Agreement have the same meaning as provided in the Web Content Accessibility Guidelines (“WCAG”) 2.1 published by the World Wide Web Consortium (“W3C”), *available at* www.w3.org/TR/WCAG.

II. REQUIREMENTS

3. SBOE shall, by June 1, 2022, develop, test, and implement an accessible, electronic method by which voters with a Print Disability across New York State may request, receive, and mark an accessible absentee ballot electronically via an RAVBM system as provided for in this Settlement Agreement from their CBOE. This Settlement Agreement applies to elections on or after June 1, 2022 conducted by CBOEs.

a. SBOE will share any forms related to the RAVBM process and a description of the RAVBM system and processes with Plaintiffs for comment prior to implementation, on a rolling basis to the extent possible and as soon as reasonably practicable.

b. SBOE agrees to consider in good faith any comments or modifications suggested by Plaintiffs.

4. By May 15, 2022, SBOE shall identify and publicize on its website the name and contact information of a SBOE staff member(s) to provide technical assistance to CBOEs and to voters attempting to request, mark, or return accessible absentee ballots.

5. SBOE shall ensure that the RAVBM system is fully accessible and in compliance with WCAG 2.1 AA, or, if WCAG 2.1 AA compliant modalities cannot be reasonably procured, is in compliance with WCAG 2.0 AA.

6. SBOE shall ensure that educational ballot information generated from ballot data information will be provided in an accessible, WCAG 2.1 AA-compliant format – or, where WCAG 2.1 AA cannot reasonably be achieved, in a format compliant with WCAG 2.0 AA – on the SBOE website.

7. SBOE shall educate all CBOEs on the RAVBM system and the process by which voters with a Print Disability may request, receive, mark, and return accessible absentee ballots. Specifically, SBOE agree to the following:

a. Within 30 days of the date that the Court “so orders” this Settlement Agreement and docketed same on the Court’s Electronic Filing System, SBOE shall provide the CBOEs with copies of this Settlement Agreement along with detailed instructions on what the CBOEs must do to implement the relevant terms of this Settlement Agreement.

b. SBOE shall provide a mandatory training session on accessible absentee ballots to all CBOEs each year this Settlement Agreement is in effect wherein it will explain this Settlement Agreement and the processes for compliance with it.

c. At least 60 days prior to each CBOE-run primary or general election that takes place during the term of this Settlement Agreement, SBOE shall communicate with each

CBOE to obtain certification in writing from the CBOE that it is aware of and in compliance with the relevant terms of this Settlement Agreement.

d. SBOE shall share with Plaintiffs, prior to implementation, the materials to be utilized for training required by this Settlement Agreement, and shall consider in good faith any comments or modifications suggested by Plaintiffs.

8. SBOE shall create and implement, for use by June of 2022, a centralized, uniform statewide process for voters to request an accessible absentee ballot through the SBOE website.

a. SBOE agrees to, by May 1, 2022, make available a statewide portal request system through which a voter with a Print Disability can make a request via accessible HTML fillable form that will be transmitted promptly to the voter's CBOE for processing, so long as such an absentee portal is required under New York State law. This provision shall not apply with respect to any jurisdiction that provided its own portal in 2020, provided such jurisdiction continues to do so.

b. SBOE shall issue a directive requiring CBOEs to link to this centralized request process on their websites in an accessible public-facing location on either the CBOE home page or its absentee ballot subpage.

c. In addition to Subsection 8(a), SBOE agrees that voters must have available the following options to submit an accessible absentee ballot request form to each respective CBOE: by United States mail, web portal, fax, or email, to the extent these method are available to all absentee voters pursuant to New York State law.

d. SBOE agrees that voters may submit an electronic request for an accessible absentee ballot at any time up until fifteen (15) days prior to a primary election or general

election, or within the time frame established by New York State or federal law for the submission of absentee ballot requests by methods other than in person. If New York State law changes the deadline for absentee ballot requests for all absentee voters, or the methods by which those requests must be submitted, such change in law shall supersede this subparagraph.

9. SBOE agrees to the following regarding the delivery and return of accessible absentee ballots:

a. For all elections held in 2022, CBOEs will provide eligible voters who request an accessible absentee ballot a postage-paid ballot return envelope and oath envelope by mail at least fifteen days (15) prior (subject to 8(d) above) to a primary election or general election. Postage paid envelopes thereafter, as applicable, will be provided at any election where postage paid envelopes are provided to all absentee voters.

b. For the June 2022 election and elections held thereafter, oath envelopes must include tactile markers designating where the voter should sign. However, CBOEs will be instructed to accept signatures anywhere on the envelope.

c. CBOEs will provide an accessible electronic version of the oath envelope, accessible instructions on how to return the ballot, and a return envelope template that can be printed by the voter to all eligible voters who request an accessible absentee ballot. Plaintiffs agree that the versions of these envelopes provided by the SBOE for the 2020 elections met the accessibility requirements of this subparagraph.

d. The attestation on the accessible absentee ballot oath envelope will be the same as the attestation on the paper ballot oath envelope for all voters.

e. Upon completion of the ballot, the voter may return the printed accessible absentee ballot using the United States Postal Service or hand delivery to their CBOE, or by any other method the CBOE provides for the return of absentee ballots if such other method is applicable pursuant to state law.

f. Submission and postmark deadlines for accessible absentee ballots shall be the same as for other absentee ballots.

10. SBOE shall, to the extent practicable, provide on the SBOE website, and shall instruct the CBOEs to provide on their respective websites, information for voters who are utilizing the accessible absentee ballot system on where they can access printers in order to print their ballots, and instructions for accessing county-based resources for printing. SBOE and CBOEs shall also provide the information that voters with a disability will still be able to vote in-person using an accessible Ballot Marking Device (“BMD”), either during early voting or on Election Day.

11. SBOE shall, for all state and local elections run by CBOEs occurring prior to June 1, 2022, continue at minimum to provide via email an accessible fillable PDF absentee ballot (“accessible PDF ballot”) or accessible HTML ballot, to eligible voters who have a print disability and request an accessible absentee ballot. SBOE will implement these accessible ballots according to the processes set forth in Paragraph 11 of the June 2, 2020 Stipulation of Settlement (Dkt. 38; “Stipulation”) and Paragraph 1 of the August 18, 2020 Order (Dkt. 110; “Order”), including the following:

a. SBOE agrees that upon receipt of a voter’s request for an accessible absentee ballot, CBOEs or their agents will, pursuant to mandatory directive of the SBOE, generate a ballot that is screen readable using common assistive technology, such as Job

Access with Speech “JAWS” software, Apple VoiceOver, and Android TalkBack, which shall include insertion of tags and fillable objects so that it can be completed independently and privately by the requesting individual using standard, accessible technology, namely a screen-reader program. The accessible absentee ballot shall meet WCAG 2.1 AA standards for a PDF, or, if WCAG 2.1 AA cannot be procured, WCAG 2.0 AA standards.

b. An accessible absentee ballot may also include, for a CBOE that provided an accessible ballot in a web-based format (such as a fillable HTML) for the June 23, 2020 or November 3, 2020 election, the use of the same such accessible ballot in a web-based format for elections taking place subsequent to the implementation of this agreement but prior to June 1, 2022. This will be done subject to consultation with the SBOE Technology and Election Operations staff and upon resolution of any issues with such accessible ballot in a web-based format.

12. Plaintiffs agree not to file litigation challenging any alleged failure by SBOE to permit Plaintiffs or their members to return accessible absentee ballots electronically during the term of this Settlement Agreement.

a. This Settlement Agreement does not preclude the SBOE and CBOEs from implementing an electronic ballot return system during the term of this Settlement Agreement.

13. The term of this Settlement Agreement shall begin on the date a “so ordered” Settlement Agreement is docketed on the Court’s Electronic Filing System, and shall end on May 31, 2025.

14. SBOE shall, within 45 days after each election certification for the term of this Settlement Agreement, provide Plaintiffs with a report for the preceding election containing the following information, by CBOE:

- a. The number of voters who requested an accessible absentee ballot;
- b. The number of accessible absentee ballots provided by the CBOE;
- c. The number of accessible absentee ballots received by the CBOE;
- d. The number of accessible absentee ballots rejected by the CBOE and the reasons for their rejection;
- e. The number of accessible absentee ballots counted by the CBOE; and
- f. Categorical descriptions of complaints or feedback received by election officials at the county or state level, from voters or any source assisting a voter in making a complaint (i.e. Independent Living Centers, advocates, schools, aides, etc.), regarding attempts to use or use of the accessible absentee ballot, along with descriptions of how complaints were resolved.

15. SBOE agrees to publish the following:

- a. This Settlement Agreement and a summary of its terms by Press Release, and on the SBOE website within 30 days after docketing of this Settlement Agreement as “so ordered” by the Court; and
- b. Announcement of the RAVBM accessible absentee ballot program SBOE implements state-wide in a Press Release and on the SBOE website by June 1, 2022; and
- c. Announcement of updates that create substantial changes to the RAVBM system in timely Press Releases and on the SBOE website.

18. Accrual of Interest

In the event that the payments referenced in Paragraph 16 of this Settlement Agreement have not been made by the one hundred twentieth (120th) day after the receipt by the Office of the Attorney General of a “So Ordered” copy of this Settlement Agreement, entered on the docket by the Clerk of the Court, together with all other requested documentation required under Paragraph 17 of this Settlement Agreement, interest on any part of the sum not paid by the end of the one hundred twentieth (120th) day shall accrue on the outstanding principal balance at the statutory rate prescribed by 28 U.S.C. § 1961, commencing on the one hundred and twenty-first (121st) day after receipt by the Office of the Attorney General of all documentation required under Paragraph 17 of this Settlement Agreement.

d. After notifying the SBOE of a dispute or non-compliance to this Settlement Agreement, Plaintiffs shall not take further legal action for at least four days. However, in the event that Plaintiffs are unable to notify the SBOE within four days of primary election or general election, Plaintiffs may take action immediately, but in any event no later than three days before the primary election or general election. If, upon the expiration of that period, Plaintiffs determine that the CBOE has been unable to remediate the issue, or will not timely remedy the issue complained of, Plaintiffs may notify the Court in this Action of such issue and seek a judicial remedy.

If SBOE cannot meet the June 1, 2022 deadline for implementation provided for in Paragraph 3 of this
